I understand and agree that a once-off fee of R450-00 is payable to obtain my Reseller package consisting of:

- 10 x soaps, differing variants
- 1 x Facial Scrub
- 1 x Shampoo Bar
- 1 x Shaving Soap
- 1 x Laundry Soap
- 1 pack of Rainbow scrubbies

and that that price excludes courier cost.

I understand that thereafter orders placed are at wholesale prices (as per the attached price schedule) less my reseller price of 50% and that courier fees are payable by myself.

I understand that once I'm registered I will be given a reseller login for the online shop with my coupon code to proceed with orders.
